

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 05 February 2021.

I am pleased to confirm the following.

What number of Buccolam syringes were administered to paediatric patients for the purposes of sedation pre procedures over the last 12 months of data you hold (please provide details of what this date range is).

We cannot determine the indication of use.

What number of Buccolam syringes were administered to paediatric patients for the purposes of treating epilepsy over the last 12 months of data you hold (please provide details of what this date range is).

We cannot determine the indication of use.

If a specific purpose is not discernible please could I request the number of syringes administered to all paediatric patients. If the number of syringes is not possible but the number of paediatric patients that received Buccolam is, then again, this information would also be gratefully received.

In the period 01/02/2020 to 31/01/2021 we issued a total of 66 Buccolam syringes to paediatric patients. We cannot determine the indication of use.
