Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 20 December 2021.

I am pleased to confirm the following.

1. **How many patients in the last 2 years attended A&E and were discharged (non-admitted) with a diagnosis of UTI?**
   1,238 Patients

2. **How many patients were still admitted regardless of diagnosis of UTI?**
   1,160 Patients

3. **How many of the patients attending A&E with diagnosis of UTI were women over the age of 65?**
   728 Patients

4. **What is the OPCS code for women over the age of 65 being discharged (non-admitted) with a diagnosis of UTI.**
   This information is not available because A&E attendances (non-admitted) do not get coded using Operating Procedure Codes (OPCS) codes.

You are advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use. Any re-use of this information will be subject to copyright and the Re-Use of Public Sector Information Regulations (1st July 05) and authorisation from Milton Keynes Hospital NHS Foundation Trust will be required. In the event of any re-use, the information must be reproduced accurately and not used in a misleading manner.

If you are unhappy with the information received in response to this request, please address your complaint to the Patient Affairs Office at Milton Keynes Hospital NHS Foundation Trust, Standing Way, Eaglestone, Milton Keynes MK6 5LD If, after exhausting our internal process, you are still unhappy with the information received, you may write to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

If you need any further assistance, please do not hesitate to contact us at the address above.

Freedom of Information Co-ordinator
For and on behalf of Milton Keynes Hospital NHS Foundation Trust

Any re-use of this information will be subject to the
'Re-use of Public Sector Information Regulations' and best practice.

As a teaching hospital, we conduct education and research to improve healthcare for our patients. During your visit students may be involved in your care, or you may be asked to participate in a clinical trial. Please speak to your doctor or nurse if you have any concerns.

Chief Executive: Joe Harrison
Chairman: Simon Lloyd
