

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Monday 19th February 2024. I am pleased to confirm the following.

I have been tasked with developing an incident management framework for Velindre university NHS Trust, and while doing some benchmarking, have read that there was a framework in development for MKUH.

I'm keen to look at as many frameworks as I can to get as many ideas as possible.

Please see attached document.
