Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Monday 29th July 2024. I am pleased to confirm the following.

Please release the number of recorded incidences where a patient has suffered an injury or other medical condition (e.g. stroke) where chiropractic was, or was suspected to be, the cause of the injury/condition or a contributory factor. Please include in the data all cases between June 2021 and June 2024. Please break the data down into the date of the injury/condition, the nature of the injury/condition and whether chiropractic was the cause or suspected cause.

As there is no way of identifying a chiropractic cause to injury, we are unable to respond to the FOI

Please be advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use. Any re-use of this information will be subject to copyright and the Re-Use of Public Sector Information Regulations (1st July 05) and authorisation from Milton Keynes Hospital NHS Foundation Trust will be required. In the event of any re-use, the information must be reproduced accurately and not used in a misleading manner.

If you are unhappy with the information received in response to this request, please address your complaint to the Patient Affairs Office at Milton Keynes Hospital NHS Foundation Trust, Standing Way, Eaglestone, Milton Keynes MK6 5LD If, after exhausting our internal process, you are still unhappy with the information received, you may write to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

If you need any further assistance, please do not hesitate to contact us at the address above.

Yours sincerely

Freedom of Information Co-ordinator
For and on behalf of Milton Keynes Hospital NHS Foundation Trust

As a teaching hospital, we conduct education and research to improve healthcare for our patients. During your visit students may be involved in your care, or you may be asked to participate in a clinical trial. Please speak to your doctor or nurse if you have any concerns.

Chief Executive: Joe Harrison

Acting Chair: Heidi Travis
