

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Wednesday 11th September 2024. I am pleased to confirm the following.

I would like to know the total amount of trust spending on services by law firms for services related to maternity care or neonatal care in each year from 2021-2023 inclusive [whether calendar year or financial year, depending on how the data is collected], including non-legal services such as investigations and reviews. Please break these figures out by year.

We have fixed fee contracts with Capsticks; therefore we are unable to filter out specifics as requested.

Please indicate which law firms have supplied these services and give the total spending on each of the law firms from which the trust has purchased these services. Please break these figures out by year.
