Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Tuesday 5th November 2024. I am pleased to confirm the following.

With the recent announcement of the Labour Government's Budget, which includes a £22.6bn increase for NHS day-to-day operations, I would appreciate your assistance in understanding the specific allocation of these funds.

Could you please provide a detailed breakdown of how your plans to distribute this funding, particularly in the following areas:

1. **Non-Clinical Staffing**: What portion of the funds is designated for non-clinical staffing roles?

2. **Clinical Staffing by Specialty**: How are funds allocated for clinical staffing across various specialties?

3. **Waiting List's**: Which area of waiting list's are your trust priority?

4. **DE Break down**: Agency Medical Locum spend via all sub speciality from August 2024 – October 2024

5. **NON DE Break down**: Agency Medical locum spend via all sub speciality from August 2024 – October 2024

As all the questions relate to the distribution of funds rather than actual spend. We are unable to answer this question as we have not been told how much of the £22bn we will receive.

If you are unhappy with the information received in response to this request, please address your complaint to the Patient Affairs Office at Milton Keynes Hospital NHS Foundation Trust, Standing Way, Eaglestone, Milton Keynes MK6 5LD If, after exhausting our internal process, you are still unhappy with the information received, you may write to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

If you need any further assistance, please do not hesitate to contact us at the address above.

Yours sincerely

Freedom of Information Co-ordinator
For and on behalf of Milton Keynes Hospital NHS Foundation Trust

As a teaching hospital, we conduct education and research to improve healthcare for our patients. During your visit students may be involved in your care, or you may be asked to participate in a clinical trial. Please speak to your doctor or nurse if you have any concerns.
