Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Thursday 5th December 2024. I am pleased to confirm the following.

Do you have a system to track prostate patients on care protocols that allows remote monitoring or PIFU or is this currently a manual solution/recorded using a spreadsheet?

If you have a system which system do you use and does it have a portal that the patients can access?

If you have a system when is this contract due for renewal?

What is the annual cost of supporting this system?

Who is the key contact for the service and what is that persons email address?

There is no digital system in use at Milton Keynes performing all functions described in the question for this FOI request.
