Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Monday 23rd December 2024. I am pleased to confirm the following.

Please can you provide me with all data from January 2013 to the present relating to adverse outcomes from circumcision of infant boys (aged 0-1) whether at hospital or off-site.

- We have had zero infants

This data to include as a minimum the total number of infant circumcisions performed within the trust's catchment area, all attendances to the Emergency Department and/or admissions to paediatric or general Intensive Care Unit as a result of circumcision, including but not limited to death, coma, life threatening haemorrhage, shock, sepsis, amputation etc.

Data should also include any adverse outcomes which are not life threatening but are unintended consequences including but not limited to partial degloving, partial amputation, damage to the scrotum/groin/surrounding tissues, nerve damage, penile adhesions etc.

This data should further be broken down by year, by hospital/GP/other medical institution and whether the operation was performed in-house or off-site/in a private location.

Please be advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use.
